

# Company Overview

JT Facility Solutions delivers integrated maintenance and operational support services to government agencies and commercial clients. With more than 25 years of combined experience, our team brings proven expertise across facility operations, construction, project management, and administrative support. We understand the complexities of regulated environments and approach every engagement with a responsive, compliance-focused mindset.

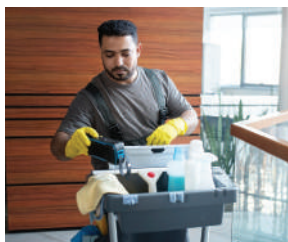

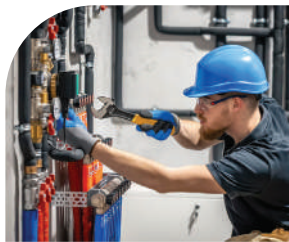

Our capabilities include facility maintenance, janitorial services, pest control, landscaping, and systems support such as HVAC, plumbing, and painting. We also offer commercial and institutional construction services, as well as administrative and back-office support in human resources, management consulting, and accounting. Whether handling daily operations or supporting strategic initiatives, we deliver cost-effective solutions that enhance performance and extend the life of your assets.

JT Facility Solutions is a joint venture and 8(a) certified firm, purpose-built to provide dependable, tailored services to public and private sector clients. We manage the details so you can stay focused on your mission—confident your operations are in capable hands.
